One member of the public.

254. **Apologies.**

Apologies were received from Cllr. T. Dawkins who was unable to attend.

255. **Minutes of the Parish Council Meeting held on 7th October 2003.**

The minutes were approved and signed by the Chairman.

On the motion of the Chairman the meeting was adjourned for a maximum of 15 minutes for members of the public to address the Council.

A member of the public raised the matter of the planning application for Hobclerks Farm, Crows Lane, Woodham Ferrers. A number of points were made about the proposed facilities to be installed on the site and the impact of the change of use on the area. The effect of the development on the rural environment in terms of its appearance and increased traffic on narrow country lanes were mentioned. The Chairman pointed out that this application is due to be discussed on the Agenda of this meeting and asked if our visitor would be making these points directly to Chelmsford Borough Council. He replied that he intended to do so.

The Community Police Officer raised a number of issues.

1. The incidence of car crime has increased in the area recently. Theft of and from motor vehicles has occurred in South Woodham Ferrers and in this parish. The police are investigating.
2. A fatal accident occurred in Creephedge Lane last week. This is of great concern in itself, and also because the forthcoming roadworks in Woodham Ferrers will involve some diversion of traffic onto Creephedge Lane.
3. A road accident in White Elm Road occurred recently, in which a car hit a deer.

Cllr. J. Saltmarsh mentioned the problem of undue noise in the evenings at The Hooe caused by persons in cars. P.C. Wall remarked that he needed reasonable cause to stop and search anybody, but arrests have been made in similar circumstances. When the car park barrier is up the problem is solved, and P.C. Wall also commented that a number of the vehicles previously seen in The Hooe car park at night are now off the road. P.C. Wall undertook to contact the Bicknacre Village Hall secretary.

Cllr. B. Arnold left the meeting at this point.

264. **Dog Show.**

Cllr. L. Carroll outlined her plans for a dog show to be held in the parish for the purpose of raising funds for the rebuilding of Woodham Ferrers Village Hall. Members discussed the implications of having dogs on a playing field, and agreed that the best time would be during the period from mid-June to July, when the football season would be over.

265. **Farleigh Hospice.**

Members agreed that support for the hospice should be a matter for individuals, and that the Parish Council could not use public money to support charities outside the parish.

266. **Traffic Calming.**

Members considered the latest letter from Cllr. Bass. Cllr. J. Bishop felt that this letter left a number of questions unanswered.

Members then reviewed the traffic calming measures which are needed in the parish.
